HON'BLE DR. JUSTICE G. YETHIRAJULU

W.P.No. 23507 of 2002

ORDER:

This writ petition is filed seeking to declare the action of the first respondent in disconnecting the service connection of the petitioner without notice as illegal, arbitrary and violative of the principles of natural justice.

A notice was issued by the first respondent requiring the petitioner to pay certain amounts relating to regular consumption charges, otherwise the service will be disconnected. Challenging the said notice, the present writ petition has been filed. But, subsequent to the filing of the writ petition, the petitioner has cleared the arrears with regard to various service connections and on such, the proposed action of disconnecting the other link service connections in the name of the consumer has been dropped, which was categorically mentioned by the respondents in para No.5 of the counter. It is also mentioned that it is learnt that the petitioner herein has vacated the premises and has no interest with regard to the service connection and as such nothing survives to be adjudicated in the present case.

Since there is no threat of disconnection by the respondents on account of the clearance of all the amounts due to the respondents, there is no need to pass any further order in the matter.

The Writ Petition is, accordingly, disposed of by observing that in view of the clearance of arrears payable to the respondents, there is no threat of further action by way of disconnecting the service connection. No order as to costs.
